Pursuant to Section 514B-148 of the Hawaii Revised Statutes, a new association need not collect estimated replacement reserves until the fiscal year that begins after the association's first annual meeting. The Association has not conducted a reserve study for the Project. The budget amount for reserves is an estimate only.

Pursuant to Section 514B-41 of the Hawaii Revised Statutes, the Project, which contains units for both residential and nonresidential use, may apportion charges and distributions in a fair and equitable manner as set forth in the Declaration of Condominium Property Regime of Sky Ala Moana East, as amended. Accordingly, certain expenses attributable only to classes of units are chargeable to the applicable unit class.

The budget is intended to show the estimated expenses of operating the Project. All amounts set forth therein are estimates only, and may change for reasons beyond the control of the Association or the developer, JL Avalon Capbridge, LLC. The estimated figures do not account for inflation, market adjustments, and unanticipated events, including, without limitation, acts of government, acts of God, terrorism, or war. Such estimates are not intended to be and do not constitute any representation or warranty as to the accuracy of such estimates. The budget may increase due to increases in insurance premiums, utility costs, maintenance services, and other costs. Therefore, Hawaiian Properties, Ltd., its agents, employees, etc. shall not be liable for any future claims regarding the use of these estimates.
