Why Choose Finance Factors?

For 70 years we've passionately helped Hawaii's families reach their financial goals.

Finance Factors was founded 70 years ago to help Hawaii's hardworking families secure loans for everything from refrigerators to pots & pans. We believed back then, as we do now, that increased access to financing will allow people to remain in Hawaii and strengthen our community. Today, we are a focused real estate lender, specializing in residential mortgages and commercial real estate loans.
